

**Kennebunk Light & Power District  
(207) 985-3311**

**New Construction Check List**

- Complete the KLPD New Construction Service Application.
- Schedule an appointment with the General Foreman for timeline and response to general questions.
  - The General Foreman will plan a site visit.
  - Associated costs for new services will be compiled and calculated.
  - A contract and an estimate of proposed work will be generated if applicable.
  - Review, sign, and return contract along with payment in full of estimate invoice.
  - Upon receipt of signed contract and full payment of estimate invoice, the job will be scheduled in order received, time expected to perform the task, and complexity.
- Electrician or responsible party must contact the applicable town electrical inspector for site visit.
- The town electrical inspector must notify KLPD to inform them that the premises passed inspection.
- KLPD will energize and initiate service.
