

**YOUR CONSUMER OWNED ELECTRIC UTILITY SINCE 1893**

Kennebunk Light & Power District customers served out of our Water Street Substation will experience an interruption of service due to maintenance operations on Thursday, April 22, 2021 (rain date April 23). KLPD has been given a window from our transmission provider's dispatch service of 9 PM- 11 PM. The outage is necessary to bring a recently refurbished transformer online to better serve our customers now and in the future. The project will require approximately a half hour interruption.

**Customers impacted by Thursday, April 22<sup>nd</sup> (Rain Date 23<sup>rd</sup>) outage:**

- **Arundel:** No KLPD customers impacted by this outage.
- **Kennebunk:** All KLPD customers with access on Route 1 south of Hannaford including Barnard Lane and portions of Longview Drive; all customers generally east of the Maine Turnpike and south of Fletcher Street (including Fletcher Street customers), all customers south of the High Street/Route One intersection (Including customers on High Street), all customers south of Cat Mousam Road including those west of the Maine Turnpike.
- **Lyman:** No KLPD customers impacted by this outage.
- **Wells:** All KLPD customers impacted by this outage.
